SPECS4US, Superior Precision Eyewear for Children Who Are Special, introduces a new concept in eyewear for children with Down syndrome that eliminates the problems commonly associated with traditional eyeglasses. The mission of SPECS4US is to improve the vision and quality of life for individuals with Down syndrome by providing custom frames designed especially for them.

The Erin's World line of frames is engineered to fit the unique facial features of children with Down syndrome while offering stylish options handcrafted for an active lifestyle. Each pair of frames offers special design features not found anywhere else. Adult sizes and sunglass clips are also available.

Created by the mother of a child with Down syndrome and 25 years experience as an optician, the Erin's World eyewear from SPECS4US will help children and adults explore their world with enhanced vision combined with an exciting level of style.

You can find the whole line of Erin's World frames at:
